## Get Involved/ Become a Leader

The Residence Hall Association (RHA) is a great first step in getting involved on campus. RHA leaders work to plan events, build community within the halls, and are given the opportunity to travel to conferences across the country to learn and work with students from other institutions.

Student Housing offers countless job opportunities for students. Beginning sophomore year, you are able to apply to be a Community Assistant (CA), which is a peer mentor who helps other students get the most out of their Ole Miss experience. Even as a freshman, you can apply to be a Community Desk Assistant (CDA) while serving as the friendly face that welcomes everyone into their Residence Hall.

Be sure to participate in the many in-hall events that happen every year! From movie nights to holiday celebrations, these events are a great way to get to know the people who live in your hall!
