Guide to Transfer Scholarships
2022-2023
Welcome to Ole Miss.

A University of Mississippi education is a great investment in your future, and we really want to share with you the many different options to help you pay for your degree. This guide will introduce you to potential scholarships you may qualify for to reduce your costs! We offer everything from academic merit-based scholarships to need-based scholarships.

Most transfer scholarships are available for up to 2 years, and require a minimum of 48 transferrable college credit hours. Some of them are awarded automatically, based on your academic credentials – without having to apply for them.

There is also a competitive scholarship application specifically for students who are transferring directly to our school from a Community College. It has a deadline of March 1 for students who plan to attend the Oxford campus, and April 1 for our regional campuses (Tupelo, DeSoto, Grenada, Booneville, and Rankin). In addition, we recommend submitting the Free Application for Federal Student Aid (FAFSA) to be considered for any need-based awards.

We know college is a big family commitment, so if you finish this guide and have any questions, don’t hesitate to look through our website at finaid.olemiss.edu, or reach out by email or phone. Your education is our top priority!

HOTTY TODDY!

Federal and State Aid Options

Some families may need to consider grants, student and parent loans, or student employment in addition to scholarships to help meet the cost of attending the university. It’s important to understand how all types of financial aid work and what steps you can take now to plan ahead. We recommend that you complete the FAFSA each year at https://www.studentaid.gov/ for federal aid eligibility and, if a Mississippi resident, that you also apply for state financial aid at https://msfinancialaid.org. Please visit finaid.olemiss.edu to review all options in detail and for a complete list of our scholarships.

Special Programs

Students with outstanding academic and leadership records may wish to contact the Honors College, Croft International Studies, Lott Leadership Institute (Liberal Arts Majors only), School of Pharmacy, the Center for Manufacturing Excellence, and Mississippi Excellence in Teaching Program. Scholarship opportunities may also be available through ROTC (at UM, we offer opportunities through the Army, Air Force, and the Navy/Marines).
